DFW Hangar 5 (DWH)

Dear Robert,

This is to confirm our understanding regarding DFW Hangar 5 (DWH).

The TWU agrees that through the present round of collective bargaining, DWH will be considered a "Maintenance Base" no differently than TULE, AFW and MCIE.

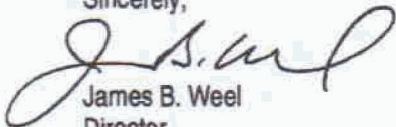

The AA and TWU negotiating committees will continue to negotiate an agreement on all outstanding Articles which will be subject to membership ratification. Work rules specific to "Maintenance Base" locations will become effective at DWH upon ratification of a successor agreement produced in the current amendment round. In the interim, DWH will operate under existing work rules, unless the parties agree to amend otherwise.

Based on this Letter of Agreement, the Company will exercise a one-year lease extension for DWH and will notify DFW Airport of that decision by October 31, 2009. Extension of the hanger lease beyond 12/31/2010 is subject to the successful negotiation and ratification of an agreement during the current amendment round.

If the above accurately reflects your understanding, please signify by signing below.

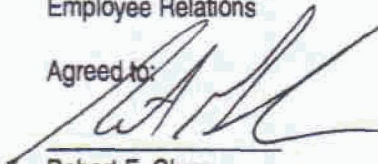

If you have any questions, please contact me at 817-967-1447.

Sincerely,

James B. Weel
Director
Employee Relations

Agreed to:

Robert F. Gless
