## ***The time has come for Committee Volunteers.***

To All Members,

One item that I believe you want as much as I do, is more voice in our Local's business.

We have many committees that need volunteers with a passion to get our local back on track and make this union the best it can be. We have had many members through the years stand up and take on these duties.

I want you to know that they are thankless tasks that you would be taking on. There would not be any monetary gain, nor are they positions that you take just to get out of your current job. These positions are not to be taken lightly. Most of, if not all, the meetings you would attend, or projects that you would work on, will be on your own time.

Our business here is that of a Service based Leadership. One that is built to ensure the success of the members and this Local.

Now is the time to step up and share our success.

You can start by logging onto TWU514.org and in the menu select:

[Member Center > Volunteer > Committee Sign Up \(Link Here\)](#)

*Fill out the form and we will review it and get back to you as soon as possible.*

I ran for this position because I saw the need for change. Now it is time for you to Step up and Take Your place in this change.

NOTE: The Officers will have final say on all positions.

In Solidarity,

Dale Danker  
President, TWU514
