MS Bike Tour

Community service is an important area of focus for Local 514. We support many causes that our members are involved in and benefit from including the Multiple Sclerosis Society. Local 514 has been a sponsor of the MS Bike Tour for several years and we have had a lot of members participate in the ride. We would like to see participation by TWU members increase even more this year.

The MS Bike Tour is a challenging two day bicycle ride from Tulsa to Oklahoma City following scenic Route 66. The tour is the last weekend of September but training rides begin July 10th. These FREE training rides take place on Saturday and Sunday mornings all summer and start with 5 miles and get longer each weekend. You can do any or all of the training but you will want to be prepared when it is time for the big "Mother Road" tour.

Registration is open online for the 2010 MS Bike Tour. There is a \$50 registration fee that covers five meals during the weekend of the ride and rest stops every 10 miles along the route stocked with snacks and cold drinks. Register online at <http://bikeoke.nationalmssociety.org> and be sure to select "Join a Team" then choose the American Airlines Team of Champions. By joining our team you will get matching funds help from our team toward reaching the minimum fundraising requirement of \$200. Thanks to Local 514 and some other generous sponsors we are able to make it easier for our riders to reach their fundraising goals.

This is a fun way to get in shape and help raise money for the Multiple Sclerosis Society. If you have questions contact team captain Duane Friesen at Duane.Friesen@aa.com.

AT&T Union Member Discount

Union Members Can Save 15% on new iPhone® 4 service plans Jun 14, 2010.

Union Plus Press Release

It's time to switch to the nation's only unionized wireless provider.

The Union Plus AT&T wireless service discount for union members has increased to 15% (from 10%) in time for the release of the new iPhone 4.

Union members who purchase a new iPhone 4 can save \$198 over their two-year contract on a basic monthly service and data plan (450 minutes and 200MB of data) with the Union Plus AT&T discount. Members who buy higher rate plans can save even more.

Even if you choose one of AT&T's many other phones, you'll still save 15% off the regular monthly rate on

individual and family plans with the nation's only unionized wireless provider.

The new iPhone 4, which goes on sale June 24 (pre-orders can be made starting June 15 via the link at UnionPlus.org/ATT), includes a new thinner design, an improved display, a 5-megapixel camera with HD video recording and a new operating system that features multitasking, folders, enhanced mail and iBooks.

The suggested retail prices for iPhone 4 are \$199 (16GB) and \$299 (32GB). A new 8GB iPhone 3GS will be available for \$99.

So now is a great time to switch your wireless service to AT&T to get 15% savings and support the 40,000 union workers at the nation's only completely unionized wireless provider. To start saving go to a local AT&T store (not mall kiosks or authorized dealers) and use discount FAN number 3508840 or shop online at UnionPlus.org/ATT.
