Labor Fest and Labor Day Parade

We would like to give a big **THANK YOU** to all who volunteered to help at Labor Fest and the Labor Day Parade. Both events were successful and enjoyed by many members, children and grandchildren. At the parade in Henryetta, OK, we sponsored the marching band contest and were able to meet and greet with members of the United Steel Workers who are on strike at the glass plant.

Special Thanks to Eldon Cook, TWU retiree, for many hours of work and leadership on both of these events.
