Rapid Response Sessions

Loss of employment can be a very traumatic experience. The Rapid Response Team of the Oklahoma Employment Security Commission was designed to assist employers, employees and others when a mass layoff is unavoidable. The Rapid Response team will assist exiting employees in filing for Unemployment Insurance as well as provide technical assistance for educational services. They also assist with resume writing, nationwide job listings, training providers, skills testing and more at no cost.

We have Rapid Response sessions with

State and local resources scheduled for Monday, December 10. There will be three sessions: 0600-0800, 1000-1200, and 1500-1700 in Hangar 6, Training Room 1. These sessions will provide direction and information to all of our exiting employees whether they are voluntary or involuntary.

Your assistance is needed with making sure the affected employees get to at least one of the sessions listed above!

It is essential that we provide this opportunity to all exiting employees for a smooth transition to their new life.
