Sign up for FREE Diagnostic Screenings

Quest Diagnostic Screenings test for diabetes and measures your cholesterol and blood pressure. Learning your numbers helps you address health concerns before they become more serious or prevent problems altogether. The non-fasting screenings are available to all employees and covered for pre-65 retirees and their spouses and domestic partners at no cost to you.

To Register:

<http://my.aa.com>.

Registration key is AA.

Contacts: Belinda Krause

Negotiations Update

The information you received on Feb 1, was distributed to the media and published to AA web sites, yet they had not shared that information with your Negotiations Committee. Now that we have seen these proposals we know that they are asking for much more than they can justify. The numbers given out are subject to change, if necessary, because of future negotiations. The real numbers remain to be seen.

The Negotiating Committee is now charged with asking for all the information that AA is using to justify their position. Make no mistake, the Committee is fighting for our jobs and rights. The cuts are deep and outright wrong. The Negotiating Team will be working to limit the desires of the company. The facts are on our side. The Committee is ready to use these facts in court and with the Creditor's Committee.

Email

It has come to our attention that some emails we have sent about American Airlines terms may have made it look like we, at local 514, agree with or are wanting to promote AA and the decisions that they have made to achieve such proposals. That could not be further from the truth. We are putting any and all information out as it becomes available. You need to ask questions, you need to be educated on this process and we will do our best to get you there.

Bankruptcy Questions

We have received numerous questions on the TWU514.org website relating to the AA bankruptcy. Although we are diligently working toward finding these answers they have been piling up. Please take time and visit the AA.TWU.org website and read the Q&A section to see if your question has been answered. If you have not received an reply from us, chances are we do not have your answer. Many questions that you have submitted will be answered in the days to come through the courts and negotiations process. All others we will do our best to get answered.

Monday Feb 6. Limit
10 per person.

MetLife Payroll Deduction Error

Recently, a small number of employees received a letter from MetLife stating that their payroll deductions for Hyatt Legal, Long-term Care, Auto or Home insurance coverage would increase for the month of February.

MetLife sent these letters in error and is working hard to fix the problem and to ensure this does not happen again. The letter stated the premium had not been paid in January. **This is incorrect.**

Employees should be assured that no lapse or break in coverage for any of these programs has occurred. Also, this error is not connected in any way to American's Chapter 11 filing. We apologize for any confusion the misstatement may have caused. Employees do not need to take any action.

For any additional questions about these coverages please contact MetLife at [1-800-438-6388](tel:1-800-438-6388).

If you have questions regarding the Payroll deductions that have been taken out of your February paychecks for this coverage, contact AA Payroll at [800-447-2000](tel:800-447-2000).

Update Your Information

Recently, Local 514 has had a need to contact members of the local for insurance information and or other important questions. This information is important so the local can contact family members in case of emergencies. With the bankruptcy, there could be a need for the local to contact you for information that directly relates to you.

So, please take time to either call Local 514 at (918) 437-4300 or go by at 11945 E. Pine St. Tulsa, OK and give your most recent contact number, address and/or email. You can also update your personal information on the website www.twu514.org.
