The TWU Maintenance and Related (M&R) Negotiating Committee reconvened in Hurst, Texas December 14-17, 2010.

On Monday, December 13th, the M&R Negotiating Committee met late in the afternoon to finalize contract Articles in preparation for the scheduled meeting with the mediator and Company representatives the following day.

On Tuesday morning (December 14, 2010) the M&R Negotiating Committee Co-Chairs, Larry Pike (President TWU Local 567) and Don Videtich (ATD Representative), along with Attorney Mark Richard, met with the NMB Mediators Jack Kane and Walter Darr, to discuss the logistics for this session. Based on the outcome of those discussions, the M&R Negotiating Committee met to make final selection of Articles to be presented to the Company the following day. This was based on the guidelines given by the Mediator to the Committee to focus on getting all the non-compensatory Articles resolved. Later that same afternoon (December 14, 2010), the M&R Negotiating Committee met with Jack Kane and Company representatives. The committee gave a power point presentation explaining the specific reasons why our members overwhelmingly rejected the Tentative Agreement (TA). The parties were then excused by the mediator to reconvene the next morning.
