Notice to City of Tulsa Residents

We need your help to stop the adoption of Election District Plan 2011 that diminishes the voice of working people at a time when the current politicians are adamant about taking away collective bargaining rights.

Call your city councilors and tell them to vote against the District Plan 2011. The city council meets on Thursday, June 16 to vote on "Resolution of City of Tulsa, Election District Commission, Adopting Election District Plan 2011"

Councilors Jack Henderson, Maria Barnes, and Roscoe Turner, who always support Working Families, are voting No on the District Plan 2011.

We need your help by calling the remaining six councilors and tell them to vote against the redistricting plan.
