Our meeting with the Company scheduled for this week has been postponed until the week of December 12, 2011.

We were notified by the Company earlier this week, that they wanted to postpone the November supposal discussions. They stated this was due to the uncertainty of both where the pilot discussions were, along with the fact that the AMR board is currently reviewing American's strategic position. They did suggest that we schedule the week of December 12, 2011 to meet.

We will follow up on the specific meeting dates for that week and send out an update when the actual dates are confirmed.

We appreciate your patience as we work to achieve a fair agreement for our members.

We wish you and your families a happy and blessed Thanksgiving holiday.
