

So you want a new Union because:

- ✓ The old one could not stop American Airlines from going Bankrupt
- ✓ The old one negotiated an agreement that saved Jobs
- ✓ The old one kept your pension frozen rather than GONE
- ✓ The old one fought and kept 31 maintenance docks / lines working
- ✓ The old one kept the outsourcing language under 35% of our work
- ✓ The old one kept the Tulsa Maintenance Facilities open
- ✓ The old one retrieved compensation from 757 Outsourcing
- ✓ The old one pulled an “equity stake” out of thin air
- ✓ The old one pulled off a “Me Too” clause so you would share gains
