Re: Crew Chief Panel

Dear Mark:

I was not able to be at the Crew Chief selection meeting with Tony Bunch. However, I understand it was a productive meeting and the following items were agreed to:

1. Use same 5 board members for all interviews for a particular C/C position
2. All 5 board members will be in the room for C/C calculations
3. Must have 5 board members to go forward
4. Myself or my designee will pick the union board members
5. Each panel member selects their own questions from a pre-determined list

We look forward to working with you and your team. If we do not agree on the aforementioned list, please reply.

Sincerely,

Gary Yingst  
Vice President
