RE: Equity Distribution

Dear Don,

TWU, Local 514 has worked very hard to collect the shops of people we believe should be included in the 757 Equity Distribution. We submitted everything our members brought forward on the work they performed on the 757s. Any additional information that comes forward supporting a shop or person we missed, will be forwarded to the Equity Distribution Committee.

We know it is the Committee who will make the final decision on who should be included. If there are any questions or concerns the Committee has, please do not hesitate to call.

In Solidarity,

Gary Yingst, Vice President
