We regret that it is necessary to establish a Smoker Policy; but the facts are we have had two (2) smokers disappear (stolen) and recently had one (1) out for four (4) weeks. Therefore, in order to reserve and borrow a smoker members who are in good standing of Local 514 and have attended at least two (2) membership meetings within the previous twelve (12) months must make their reservation through our Secretary, Kathy Green.

You must put up a \$150 dollar deposit in the form of a Cashiers check or money order.

You will pick the smoker up during TWU business hours of 7:00 am until 4:00 pm and sign the liability release and reservation policy for the smoker with either Jay Potter or Allan Ball or their designee.

The smoker must be returned to the hall within five (5) days including the day of pick up. You must also sign that you have returned the smoker with Jay or Allan or their designee. If the smoker is not returned within the five (5) days a \$50 dollar per day penalty will be applied and deducted from the deposit. The Smokers are for private use only and not to be used for commercial profit. If discovered being used for profit your deposit will be forfeited and you will no longer be able to borrow a smoker.

Your Executive Board.
