Dear TWU Local 514 Members:

The TWU has always fought to improve the lives of our members; and this year's Elections are essential for you as a voter to help improve the state of Oklahoma.

TWU 514 has researched the candidates in the upcoming races and recommends these based on their views of workers' rights. **Please see the full list of candidates** on the attachment.

These candidates will fight for seniors, veterans, and the traditional Oklahoma Values we all hold so dear. They will fight to ensure that out-of-state contractors have to abide by the same rules as in-state contractors in the bidding process, as well as fight to make and keep work sites safe. And they will fight to uphold our licensing standards and not allow them to be weakened but enforced.

For information or to view your ballot as well as to see what district you live in, find your polling place location, and even your county election board location, go to services.okelections.us and enter your name and birthday.

Elections can ensure that governments will do what the people want only if we make sure our voices are heard. ***Please make sure to vote for a candidate that will fight for you on November 8th.***

Fraternally,

Dale Danker, President
