Election of TWU 514 Officers 2019

Subject: Missing nominee from 2019 Ballot

It has come to the attention of the election committee that Brother Marcus Glisson was missing from the ballot as Executive Board Member at Large. We will be addressing this by having another election of the Executive Board Members at Large only.

This will happen as follows:

The Election Board will notify all Executive Board Members at Large there election will be void and a new ballot will be sent to all members for a rerun of the Executive Board Members at Large.

The current election will continue and be counted as scheduled.

After the ballots are counted each member will receive a new ballot with just the Executive Board Members at Large on it.

Our current Board will remain in place until the new count is complete.
