WHAT IS BURN CAMP?

The Oklahoma Firefighter's Burn Camp is a summer camp provided, free of charge, for children age 6 to 16 that have suffered major burns or disfiguring injuries requiring hospitalization.

Burn Camp offers a chance for child burn survivors to make new and lasting friendships with other burn survivors, in a setting of love, support and unconditional acceptance. Adult burn survivors donate their time to show these children that their scars do not limit their ability to succeed in life and to help others.
