IMPORTANCE HIGH

Re: Seniority History lists

All,

The company has added previous Classification Seniority history to the seniority lists. For TWU members the history will only go back to March 26, 2020 due to the language in previous contracts. Please review your information to make sure it is correct. If you believe it is not correct, contact a Union Representative to start the appeals process. You will need to provide as much information as possible as to why you believe it is incorrect. Members will have until December 15, 2022 to submit an appeal. All information concerning the new list is available on Jetnet. Please take time to review the Company's information regarding their new Seniority History lists.
