RE: Air Division – Special Projects

Dear Sisters & Brothers:

I wanted to announce some internal changes within the Air Division following the TWU International Executive Council and Board Meetings held this past week in Fort Lauderdale, Florida.

I have made three special project assignments to assist me in facilitating the workgroups on the American Airlines property. I've appointed TWU Local 513 President, Greg Cosey to service the Fleet Service Workgroup; TWU Local 567 President, Rollie Reeves to service the M&R workgroup; and TWU Local 513 Executive Board Member, Bill Clark to service the Facilities and GSE workgroup.

These changes are effective immediately and all matters relating to these individual workgroups should be processed through the aforementioned representatives. I personally appreciate the commitment and undertaking they have agreed to perform assisting me to better accommodate the day to day business in our division. If there are any questions, feel free to contact Karen or myself.

Fraternally,
